Trellis & Arbor Accessories

Need your trellis a little taller? It's easy with our 24" leg extensions. Use the 1/4" extensions for the Demi, Demure or Wisteria and 3/8" for all other trellises. To secure your trellis against any wall or fence, use the wall bracket. Made from stainless steel, it keeps the trellis 5"

All Kensington Arch arbors can increase their width with the arch extender. Available in two different styles to complement your gardening style. Of course all our trellises and arbors are available primed and painted dark green or fully rusted for the established garden look and feel. All welds are fully guaranteed for twenty years against breaking on both finishes.

Available in two complement your course all our available primed and painted dark green or fully rusted for the established garden look and feel. All welds are fully guaranteed for twenty years against breaking on both finishes.

Garden Decorations

Quiet Reflections Bridge
